MARCH 24 – 414 ANNUAL DINNER

Looks like the newsletter proofreader took a little vacation last month. Two different dates were given for the Annual 414 EAA Awards Dinner. And no, it is not a week long event! The correct date is Saturday, March 24. We dare not conflict with the Irish on the 17th!

2001 Fun at 2000 Prices

Thanks to the good folks at Lamb's Farm, they have managed to hold the cost down to last year's level. Tickets will again be \$20 per person. New this year is a children rate. They get in for half price ! Yep, only \$10 for those 12 and under.

RSVP, Please

We realize we are very late in getting some of this information out, so we are changing the reservation procedure slightly. You may still mail your reservations request to Treasurer **Mitch Brown** at 649 School Street, Silver Lake, WI 53170. The other option is to RSVP to Mitch by phone, and pay at the door. Mitch can be reached at (262) 889-8230. If no one answers, please leave a message. We try to

give Lamb's Farm ample warning of the crowd they can expect. But heck, if you are not sure until the day of the big event, come anyway. We always have room for a few more.

Guest Speaker

Well, we are not sure yet, but I promise it will be entertaining. As a last resort, I am polishing up on my shadow puppets. Anyone got a projector ???

As in past years, food will be buffet style, with beef, chicken, and fish as the main entrees. There will be a choice of vegetables, salad, and the ever popular desert table. Can't beat Camp Lake for deserts, but a good one none the less.

April is Diesel Engine Month

As a reminder, in April, we again take to the road. This time we travel to Racine Airport, home of Delta Hawk engine. The meeting will be on our usual time and date (Thursday, April 19, 7:30 PM). Directions will be in next month's *Shorelines*.

See you at the dinner !
