Camp Lake Airport Hosts Chapter Picnic Saturday

Chapter 414 will be hosting it's annual post-Labor Day picnic at Camp Lake airport on Saturday, September 11. That is this Saturday, so make plans accordingly.

This year, your Chapter will be making some changes in the picnic structure. In past years, everyone has cooked their own meal. With only one grill, people have to wait for an open spot before cooking their meal. By the time everyone has finished cooking, the jello has turned to soup, and the ice cream has become just cream.

This year, we are going to try something so crazy, it might actually work! The Chapter will provide hot dogs, burgers, and brats. Several volunteers had stepped forward to actually cook the food for the members. For once, we can all eat together. In addition to the basics, the chapter will provide plates, plastic ware, condiments, buns, and the usual beverages. Our plan is to start serving at 2:00. That is a little earlier than past years, so being fashionably late may result in being unfashionably hungry. Not a pretty sight!

What do you need to bring? The usual salads and appetizers would be appreciated. Baked beans and corn are always tasty. Of course, there are those desserts.

In addition, card tables and chairs if you have them. We may even place the tables end-to-end to make it really family style.

The dessert contest will be judged before we eat because we know it is hard to resist those delightful desserts just sitting there. We just won't announce the winner until later. This means you can have your meal and dessert, too. No more waiting for the judges to make a decision. Just remember the rule that previous winning dishes are not eligible to compete for prize money...but they sure are good!

See you at the picnic!
